BUSCH GARDENS TAMPA BAY – SEASONAL DESIGNER – ON-SITE

As a seasonal designer at Busch Gardens, I was given the opportunity to redesign over 90% of their Food & Wine Festivals visual elements. This includes the festival and its Cinco de Mayo & Viva la Musica overlays. I worked closely with the scenic & constructions crew, vendors, and other departments in order to bring these designs to life. A few designs that I created for Bierfest 2023 were also realized after my season concluded.
